*Office of the President*

Our lives can be measured by milestones of achievements, and earning the college degree is certainly one of the most significant of these milestones. You have worked extraordinarily hard for four years. You are to be congratulated on your perseverance, patience and desire.

Few people know the details of class attendance, readings and assignments which make up the process of a college education. We celebrate this process through the symbol of Commencement, the completion of one significant goal in life.

I congratulate you on your achievement, and wish you well in future challenges.

Sincerely,  
  
Ralph E. Gauvey  
President

*Roger Williams College
